re: Lack of service on the Tuscarora Reservation

To whom it may concern:

I reside on the Tuscarora Indian Reservation. I have called the Bell Atlantic residential repair service phone number. Your employee informed me that Bell Atlantic is not going to repair/install new service on the Tuscarora Reservation.

Please place my request for repair service/new phone service as a permanent comment on my account until this problem is resolved.

At this time, I am requesting a copy of Bell Atlantic's Code of Ethics/ Bylaws, and an explanation as to why I am being denied service, in writing. I am sorry for any inconvenience and would appreciate any input you may have on this matter.

Very truly yours,
